Year R - Our Aspirations

	**Aspiration 1:**
	Learners will explore and find out all about their new classroom environment and agree rules. Learners will discover how they belong to the wider school around them. Learners will be able to independently select resources and organise and manage their workspace.
	Outcome:
	Learners will share their new environment with their adults and confidently talk about it.

	**Aspiration 2:**
	Learners will work interdependently to learn and enact a selection of traditional tales, utilising props they have made to help them. Learners will be able to confidently perform them to an audience.
	Outcome:
	Learners will perform their favourite traditional tale to an audience.

	**Aspiration 3:**
	Learners will work collaboratively with their peers to retell the Christmas story through song and dance.
	Outcome:
	Learners will perform the Christmas story to their adults.

	**Aspiration 4:**
	Learners will work in teams to create a '999' Advice Centre which shares how people within the local community help others.
	Outcome:
	Learners will share their learning about people who help us in the community with their adults through the '999' Advice centre that they create.

	**Aspiration 5:**
	Learners will explore how things grow and work with a local horticulturalist to create a Year R garden area.
	Outcome:
	The grand opening of our Year R garden by our horticulturalist and FORIS.

	**Aspiration 6:**
	Learners will explore new life through the Christian Easter story.
	Outcome:
	Learners will create their own Easter cards and New Life display.

	**Aspiration 7:**
	Learners will identify and explore different animals and their habitats.
	Outcome:
	Learners will create a code of conduct video for their adults of how to protect the wonderful animals who inhabit our planet.

Aspiration 8:

Learners will work interdependently to contribute to a whole school exhibition about sustainability.

Outcome:

Learners will invite their adults to view the exhibition.

Aspiration 9:

Learners will delve into the history of our school and Victorian teaching.

Outcome:

Learners will take part in an immersive Victorian Day at school, bringing together all they have learnt.

Aspiration 10:

Learners will use their creativity to independently make their contribution to their new class display.

Outcome:

Learners will share their creation with their new teacher on changeover day.
